

LAND ROVER CLUB ADVENTURES

Discover Wales

THE CAMBRIAN ADVENTURE

Saturday 21 to Tuesday 24 March 2026

- **4 day 4x4 Land Rover mini trip** with comfortable short direct crossing Calais-Dover with DFDS Ferries and **3 rustic overnight stays** in a beautifully restored, charming and authentic "Country Farm Guest House" uniquely situated in the middle of an unforgettable nature reserve ..
- This typical "Welsh Farm House" in the "Cambrian Mountains" offers a panoramic view over the surrounding fields, hills and the spectacular "LLandoverly Railway Bridge". Guests are always impressed by the exceptionally quiet location and cozy atmosphere of this simple, yet spotlessly clean "Welsh Country Farm Guest House" with its excellent cuisine.

WALES, LAND OF MYTHS AND LEGENDS !

- For this reason, the first impressions come from being unbeknownst to the Great Britain. They are a spiritual Celtic landscape with endless structures and unique images Combination from Lake, Ebenen and Bergen.
- Wales is a land fuller legends, fuller legendary dragons and mightier magicians. Wales is a patchwork of historical places. Ancient ruins and medieval castles in a setting of fertile rolling hills, unspoilt valleys and beautiful towns.
- The serenity of the clear lakes and babbling brooks of the "Cambrian Mountains", contrasts strongly with the barrenness of the wildly boiling streams, the spectacular waterfalls and the remote mountain peaks and let you discover the famous "**Strata Florida**" with its 7 "**water crossings**".
- **The Cambrian Mountains** is the name used for centuries by travellers for this picturesque area in Central Wales with its countless "**Green Lanes**".

Here we are guests of the Hadley family. Their son Andrew accompanies our Land Rovers as an experienced guide via beautiful 4x4 trails "à volonté" deep into the "Welsh Mountains" Excitement everywhere

In short: another heartwarmingly beautiful excursion together with your Land Rover friends. Adventure, nature, culture and gastronomy harmoniously interwoven in this fully guided 4 or 5 day 4x4 Land Rover mini trip.

DFDS FERRIES offers direct return services from Calais to Dover and is once again ready to provide its passengers with the most enjoyable crossing possible, with your safety always coming first.
