4x4 tasting mini trip

CHAMPAGNE – BOURGOGNE 4x4 ADVENTURE

Friday 7 to Monday 10 November 2025

Terrain, nature, culture, gastronomy, adventure and comfort!

For more than 2000 years, the great vineyards of "Burgundy" with their world-famous and excellent reputation have been part of the Côte-d'Or. Here on this rich soil blessed by the gods the prestigious "Grand Crus" are created.

Here lived "Les Ducs de Bourgogne" and "Les Chevaliers de la Toison d'Or" with their opulent lifestyle and in lavish luxury at the "Burgundian Court" and left us a patrimony of invaluable cultural-historical value such as the famous "Clos de Vougeot" with its "Confrérie des Chevaliers du Tastevin" or the "Château de Rocheport".

Your excellent 4x4 roadbook departs from the "Champagne-Ardenne" near Troyes and lets you (re)discover this wonderful sparkling wine world with of course an extensive champagne tasting and leads you along beautiful villages with their typical wooden half-timbered houses to the artist village of Essoyes where we visit the studio of master painter P.A. Renoir, the world-famous impressionist.

In the middle of the vast forests around Dijon we are then guests for a whole day "All-Terrain" in the great 350 ha. "Château de Thenissey" for more than 25 km 4x4 passages soft and hard "à volonté" ...! This is where the international selections for the famous "Land Rover Camel Trophy" once took place.
