

Finding Us

Since 2020 Ghent is a low-emissionzone. You must register your vehicle via <https://lez.stad.gent>

The hotel has a private parking for max. 15 vehicles, and this at € 25 per space per day.

Reserving is not possible, it's best to call the hotel just before you enter Ghent. Please choose the route via Drabstraat to avoid a fine, as Jan Breydelstraat is a one-way street.

When parking in our parking, you must mention your license plate to reception for the license as you will have entered the pedestrian area.

For public parking, we advise P8 Ramen (Ramen 23) or P7 Sint-Michiels (Sint-Michielsplein 8).

The cost € 14 and € 23,50 per 24h.
