

STAY SAFE WITH HISTORIC HOTELS BELGIUM

WASH YOUR HANDS

Make sure you have a good hand hygiene by using the available hand grips and by washing your hands sufficiently.

KEEP DISTANCE

Keep as much distance from each other as possible, always at least 1.5 metres. Always follow the instructions of the hotel staff. Always follow the suggested routes.

USE A MOUTH MASK

When in close proximity to other people and in public places, please use your mouth mask. These are also available at the hotel reception.

PAY CONTACTLESS

Please pay contactless or electronically, avoid cash as much as possible.

COUGH IN YOUR ELBOW

Cough or sneeze in your elbow or in a paper handkerchief which you throw away immediately afterwards in a dustbin with a lid.

DO NOT SHAKE HANDS

Do not give anyone a hand, kiss or hug and avoid any physical contact between staff and/or customers.
