

Rose Red

Draftbeers

Jambe De Bois 8° 33cl 5.50

Light copper-colored blonde beer, with a full-bodied powerful flavor. The nose is reminiscent of ripe banana and a subtle blend of old varieties of aromatic hops. On the palate, the malt dominates, supported by a long and fine bitterness.

Fils à Papa 6° 33cl 6.50

Is a raspberry beer that has been fermented out and then, just before bottling, Filliers Gin has been added. This creates a slightly sweet taste with a fresh touch and a spicy finish due to the Belgian Gin. A beer from brewery De Leite.

Barrels and Pipes 7° (Limited edition) 33cl 7.00

The beer is a blend of 70% De Leite Bon Homme and 30% Oud Beersel Lambiek. This blend then matured for 26 months until the barrels were recently emptied and the beer was bottled.

Arend winter 7° 33cl 5.50

This is a warming brown high-fermentation beer with a ruby glow that strikes the perfect balance between smooth, dark malt flavours and subtly spicy notes. It has a subtle caramel note and delicate winter spices.

King Mule Red 9° 33cl 5.00

This beer exhibits a deep amber to autumn red colour and is crowned me a fine, lush beige head. The flavour is infused with strawberries, red cherries and an overall cakiness. The beer has a rich texture of sweetness.
