

STAY SAFE WITH HISTORIC HOTELS BELGIUM

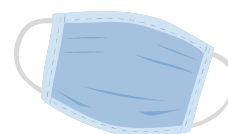

WASH YOUR HANDS

Take care of your hand hygiene by using the available hand grips and by washing your hands thoroughly.

KEEP DISTANCE

Keep as much distance from each other as possible, always at least 1.5 metres. Always follow the instructions of the hotel staff. Always follow the suggested routes.

USE A MOUTH MASK

When in close proximity to other people and in public places, please use your mouth mask. These are available at the hotel reception.

PAY CONTACTLESS

Please pay contactless or electronically, avoid using cash as much as possible.

COUGH IN YOUR ELBOW

Cough or sneeze in your elbow or in a tissue which you throw away immediately afterwards in a dustbin with a lid.

DO NOT SHAKE HANDS

Avoid hand shakes, kissing and hugging as well as any physical contact between staff and/or customers.
