

## **PARKING**

Please note: in order to improve air quality, Ghent city center or the area within the R40 will become a low emission zone (LEZ) as of January 1, 2020. The most polluting vehicles will no longer be allowed to enter the zone. More information on how to reach Ghent and the LEZ can be found at this link.

If you are traveling by car, we strongly recommend that you follow the attached route to reach the hotel. Vehicles that drive through the car-free historical center and are registered by a camera will receive a fine.

Unfortunately, Hotel De Flandre does not offer parking facilities, but there are plenty of public parkings around the hotel.

### **Underground parking:**

There are 2 public parking garages close to our hotel which are open 24/7.

7 Sint-Michiels (Sint-Michielsplein 8) and P8 Ramen (Ramen 23) are 200m from Hotel de Flandre. These currently cost €26 (P7) and €14 (P8) per 24h.

### **Park & Rides:**

-P&R Flanders Expo

-P&R Oostakker

-P&R Gentbrugge - Land Van Rodelaan/Brusselsesteenweg

-P&R Weba/Decathlon

Free shuttle service

## **CIRCULATION PLAN**

Attention; Due to the arrival of the Circulation Plan, it is possible that your favorite digital route planner or GPS has not yet been updated. The Traffic Center Ghent provided all providers (such as Google Maps, TomTom, Here, Waze and Open Street Map) with the correct digital base maps. Often an update has to be made for each type of device. Here you will find an overview of providers that have been adapted to the Circulation Plan and a map of the Circulation Plan that you can use to determine your route to and from Ghent.

We look forward to welcoming you to **Hotel de Flandre** and should you have any further questions, please do not hesitate to contact us.

## **TAXI:**

Need a taxi? We work together with taxi Aras
